

The disease, in which the
 bodily V&yu, aggravated
 through
 the ingestion of parchifying
 articles of fare, or in conse-
 quence of eating before the
 digestion of a previous meal
 is
 Completed, or enraged
 through an exposure to cold
 or east
 wind, or in consequence of
 over-fatiguing physical
 exercise,
 or aggravated through the
 suppression of any natural
 urging
 of the body, either alone or in
 unison with the deranged
 Kaphah, gives rise to an
 excruciating pain extending
 over
 the half of the head
 (Hemicrania) and affecting
 only one
 ear, one eye, one eye-brow,
 and one half of the
 region
 of the temple or neck, is called
 Ardhivabhedaka. The affect-
 ed half of the head seems as
 if it is being cut with a knife;
 or is being churned in the
 manner of fire-churning
 (Arani;,
 The disease in which the
 enraged blood, Pittam and
 Vfyu,
 being augmented, and
 accumulated in the
 temporal regions,
 give rise to a swelling attended
 with a burning sensation, red-
 ness, and an intolerable pain is
 called S'ankhaka by the wise.
 The disease soon spreads to
 the head with the rapidity
 of
 a poison and brings on

constriction of the larynx.
It invariably proves fatal within three
nights: A patient, not
succumbing within this period,
may rally under an
extremely
cautious and judicious
treatment

CHAPTER CLXXIII.

HEAR me, O Sushruta, now
discourse the Nidānam of
diseases
that are peculiar to the
opposite sex. Ingestion of
incompatible articles of fare, eating
before the digestion of a
previous
meal; indigestion, abortions,
sexual excesses, excessive
travelling
in carriages, or riding on
horse-back etc., exhaustion
